

For 25 years, we've been exporting America's most valuable resource.

The men and women of the Peace Corps.

Since 1961, we've sent over 100,000 volunteers all over the world to help people in developing countries.

Today, there are 6,000 volunteers working in 60 countries. They're building food systems in

Africa. Fighting malaria in Asia. Training teachers to combat illiteracy in Latin America.

The work isn't easy. And it takes more than just concern. It takes motivation. Commitment. But it's a chance to stop dreaming about a better world and start doing something about it.

We've done a good job for the last 25 years, but we need more volunteers now than ever before. Find out how you can help. Call us. **1-800-424-8580.**

Peace Corps.

Still the toughest job you'll ever love.
